EACEA Project Title:

*"Impact Analysis of External Quality Assurance Processes
of Higher Education Institutions. Pluralistic Methodology
and Application of a Formative Transdisciplinary Impact
Evaluation"* (Acronym: IMPALA)

General Aims of Conference Seminar:

- Presentation and dissemination of the results of IMPALA first project phase (i.e., methodology of impact evaluation of external quality assurance in HEIs) to a wider interested audience
- Gather input from participants's critical reflection of the seminar theme, in particular European QA agencies and other HEI stakeholders
- Open up a first phase of exploitation of the impact evaluation methodology
- Embed theme of impact evaluation into current debates and perspectives on HEI governance (and HEI funding) and HE policy

Target Audience:

- (European) quality assurance agencies (e.g., ENQA members)
- HEIs (e.g., management, quality managers, staff, students)
- European Commission representatives
- HE policy (national, European) and HEI research

Activities and Contents:

- Two key notes of experts in the field
- Presentation of IMPALA methodology of the four QA agency-HEI teams from Finland, Germany, Romania, Spain
- Panel discussion of various stakeholders
- Working groups of participants
