Subject: Follow-up report to the 2014 external review report

Dear Mr. Mahieu,

At its meeting on 13-14 February 2017, the ENQA Board considered the follow-up report arising from the external review of CTI in 2014.

From the follow-up report, it is evident that CTI is doing its utmost to implement the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG 2015) into all relevant procedures. Thus, the Board acknowledges the improvements made and expressed its satisfaction with the progress that has been achieved.

Yours sincerely,

Padraig Walsh
President of ENQA
