Subject: Follow-up report to the 2015 external review report

Dear Ivan,

At its meeting on 4 May 2017, the ENQA Board considered the second follow-up report arising from the external review of SQAA in 2015. The Board acknowledged the progress made and expressed its satisfaction with the improvements achieved. The Board also takes note of the changes in the Slovenian higher education system that are described in the report.

I also take this opportunity to remind you that as the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG 2015) were adopted in the Ministerial Conference in May 2015, we are expecting that all ENQA Members have now taken the ESG 2015 into use in all relevant procedures.

Yours sincerely,

Padraig Walsh
President of ENQA
